

## MUST SEE RACING **X**TREME SPRINT SERIES

“THE FASTEST SHORT TRACK CARS IN THE WORLD”

In 2011, Must See Racing Xtreme Sprint Series will have 10 winged sprint car events at Salem, Winchester, O'Reilly Raceway Park, Anderson, Kalamazoo, Auto City and Wisconsin Dells Raceway Park. And for the first time, winged sprints will run the same night with the non-wing USAC sprints at the Joe James/ Pat O'Connor Memorial event at Salem Speedway.

Must See Racing will also include two, two hour specials -- what many fans call “the most entertaining sprint car race on the planet” – **the Pay Less Little 500** from **Anderson Speedway** and **the Red Bud 300**, a CRA sanctioned stock car event at Anderson Speedway featuring NASCAR's **Kyle Busch**.

The 2009 “King of the Wings” was David Steele (Tampa, FL) and he will look to defend that title. Drivers in the series hail from Michigan, Indiana, Ohio, Illinois, Florida and Ontario, Canada.
