

**Softball 360°** is a nationally syndicated sports entertainment show hosted in many MLB stadiums. SB360 uses pre-game events at MLB games, softball's biggest festival tournaments and celebrity games for amusing skits, sketches and features.

Follow the **Long Haul Bombers** all year long as they travel to MLB stadiums before games and put on slow-pitch softball home run derbies. These amazing power hitting exhibitions have proven to draw thousands of fans and create quite the buzz among the MLB stars.

**Softball 360°** will also follow the World Softball League Championship Series and all the biggest softball events all year long.

**Softball 360°** is hosted, on Outdoor Sport Channel®, by nationally recognized TV-host and radio personality, Natalie Kane.

**Softball 360°** is produced by eight time Emmy Award winner Joe Harewicz.
